JOÃO LANGA

Software Developer

Phone: +258 868 728 470 / +258 833 740 825 | Email: langajoao16@gmail.com / joaolanga@uem.ac.mz
Residence: Maputo City, KaMpfumo Municipality, University Residence Hall

PROFESSIONAL OBJECTIVE

- Work as a Full-Stack Developer, applying software development and web application knowledge to create efficient, secure, and scalable solutions.
- Pursue continuous professional growth by deepening skills in modern technologies, programming best practices, and collaborative work.
- Contribute responsibly and proactively to company goals, adding value to projects through innovation, commitment, and problem-solving ability.

PROFESSIONAL EXPERIENCE

President of the DMI Student Council (NEDMI) *2024 – Present*
Eduardo Mondlane University

- Represented students of the Statistics, Computer Science, Mathematics, and CIG programs.
- Coordinated events and academic and scientific initiatives.
- Organized and provided logistical support for outreach activities, including UEM's Open Day and the Science, Engineering, and Robotics Fair.
- Promoted communication between students and the Department of Mathematics and Informatics leadership.
- Participated in institutional meetings and seminars, contributing to student representation.
- Took part in the 2025 Urban Mobility Hackathon, developing skills in teamwork, problem-solving, innovation, and building solutions for real-world challenges.
- Participated in other academic competitions and initiatives, strengthening technical skills, adaptability, and teamwork.

Vice-Head of the Communication and Image Department *2023 – 2024*
AESA-GAZA

- Managed social media and institutional communication.
